

Mary Zupancich

Board Member since 2023

Mary is thrilled to join the Northwoods Partners Board. Community needs have been her career focus. Initially in health care as the Ely Hospice Volunteer Coordinator, secondly in education at Vermilion Community College (now Minnesota North College – Vermilion) and thirdly, once again, in health care at Ely Bloomenson Community Hospital.

Mary has a son living in Pennsylvania and a daughter in New York City. Their love of the northland often brings them back home. And, Mary's love of travel can find her flying or driving regularly to the East Coast!

Mary has always lived in Ely. Yes, always! Except for her college days. The lakes and landscapes of the north have kept her close to home. Boating in the summer and kick sledding in the winter keep Mary smiling!
