

Heather Fitzgerald

Board Member since 2018

Heather became involved with Northwoods Partners after realizing the needs her parents had in Rochester, MN, prior to, and while her father was admitted to a nursing home there. There were many hurdles she and her family had to overcome, which is difficult from a distance.

The strong volunteer base of Northwoods Partners, in Ely, MN does not compare!

She's thankful that her mother is now living nearby, and independently, and has already used some of Northwoods Partners services.

Heather is currently a Vice President at Highland Bank, Board Member of Ely Area Community Foundation, Member of Rotary Club of Ely, and past Board Member/Treasurer of Well Being Development.

She has a BS in Business Administration with an emphasis in Management from Bemidji State University.

When not working or volunteering, Heather enjoys spending time with her husband of 31 years, Fitz, their golden, Grizz, and extended family and friends that are able to visit or live in God's country.
